**St Ivo Academy Sixth Form application process for 2025 entry**

Dear Parent/ Carer

We hope that your child's mock exams have gone well, and I look forward to hearing their results.

MyChoice16 is now live for students to begin their applications via the website ([www.mychoice16.co.uk](http://www.mychoice16.co.uk)) On the platform, they will be able to find our sixth form prospectus which will give them additional information about each subject and also the entry criteria required to study them.

I have also published the finalised block sheet which has been updated following the recent student "initial thoughts" survey completion, with the addition of a fifth block to help reduce the number of possible clashes. Students can only choose one subject from each column, which are colour coded on MyChoice16 and students must select a minimum of three subjects (vocational sport is a double option and therefore students must select it from both columns, as it counts as two options, blocks A and D). Please note that A level Law has now been added again following keen interest from students and due to increased staff availability to teach the subject.

Starting from the week beginning 25 November 2024, we will be inviting every Year 11 student into the sixth form building to have a short talk from me and Mrs Webster. Students will then have an opportunity to speak to some sixth form students who are studying subjects in which they have a similar interest and also experience the facilities we have to offer. We hope that this will help each student when making their decisions on post-16 study.

The deadline for applications is **Tuesday 14 January 2025**. Following this, informal meetings will take place prior to conditional offer letters being sent out via the MyChoice16 platform.

The 2025-2026 St Ivo sixth form prospectus and the block sheet can also be found on the sixth form page of our school website ([www.astreastivo.org/sixth-form/](http://www.astreastivo.org/sixth-form/)).

If you have any questions, then do please get in touch.

Yours faithfully

Pat Braybrook
