

## **PARENTS INFORMATION**

St Ivo Academy appreciate the influence that parents and carers have on the decisions young people make about their education and future career pathways.

With the raising of the participation age, all young people must remain in education or training until they are 18 years of age. This doesn't mean they must stay at school, opportunities, careers, pathways and choices change constantly giving them a few options:-

- Stay in School or go on to College (or training provider) full time
- Secure an Apprenticeship
- Work or Volunteer alongside taking a qualification by an accredited education or training provider

For further information or if parents wish to make an appointment with their child to discuss any of these, please contact

Mrs Helen Parks, Careers Leader and Adviser [Helen.Parks@astreastivo.org](mailto:Helen.Parks@astreastivo.org)
