

STUDENT INFORMATION

You will be making plenty of decisions during your time at St Ivo Academy, decisions that will help you on your career journey. From choosing your GCSE Options in Year 9 to selecting your Post 16 choices in Year 11 and your Post 18 Options in sixth form. We are here to support, guide and advise you in all of these key transition points every step of the way.

You are supported on this journey with 1-1 Guidance, information sessions and workshops, assemblies, employer engagement and further and higher education activities to ensure that you are not only informed but the information you receive is relevant and current.

Please contact Mrs Parks, Careers Leader and Adviser if you wish to make an appointment, either email Helen.Parks@astrestivo.org or just drop into the Careers Office.
